Students seeking college credit for this class should be prepared and commit to this extra course work at the beginning of the school year before registering for this college credit.

Spanish credit requires 2 years previous to college credit. Students who take their first year in 8th grade may qualify for the college credit as a Sophomore.

American Sign Language credit requires a student to complete 2 years previous to their receiving college credit. Students must also be a Junior or Senior, but can apply for back credit in the program if they successfully complete the required testing in the content area.

Courses usually offered only to Junior and Senior students may allow Sophomore students with special recommendations from their counselor and Mrs. Marshall. Sophomores seeking this recommendation must meet with Mrs. Marshall prior to registration.

(Certain classes will allow a student to receive the credit they missed as Freshman, those classes are Drafting and German. The requirement is that they must be a continuing student in the program.)
